How are we managing ELSI in

RESIST○

Two pillars

WP 11 "Ethics Requirements"

- Informed consent and Information Sheet
- Approvals by Ethics Committees
- Data Protection Officers
- Declaration on Compliance
- Data Protection Impact Assessment
- Risk Assessment / Misuse

Monitoring

- SSHERC
- Ethics Surveys
- WP 1
- Ethics Check in M14
  - Survey on Previously Collected Data
  - Survey on Open Source Data
  - Societal impact of use cases

How are you managing it?

Experiences?

Can ELSI handling be facilitated?

Other approaches?

Deep thoughts?
